DELIXIRUM CERAMIC COATINGS

AVAILABLE ONLY FOR CAR DETAILING STUDIES

Our company's mission is to provide our customers the best products - that is why many years ago we started depth research on the production of a ceramic coating that would meet all the stringent requirements we set for our products. Many years of research and tests have resulted in products that we proudly present to you - DELIXIRUM ceramic coatings.

CERAMIC COATINGS

DELIXIRUM SILVER

Up to 2-years car paint protection

DELIXIRUM Silver ceramic coating is a product designed to perfectly protect the car body at a relatively low price. Thanks to the production technology of DELIXIRUM coatings, Silver protects your car's paintwork against harmful weather conditions, slows down the process of getting and protects the paint against aggressive chemicals. Silver protects your car's paintwork up to 2 years. DELIXIRUM Silver is a coating with a beautiful, emerald color, simple application and high efficiency (which characterizes all coatings from the DELIXIRUM family)

CERAMIC COATINGS

DELIXIRUM GOLD

Up to 5-years paint protection

DELIXIRUM Gold ceramic coating is a perfect compromise between excellent quality and a reasonable price. Advanced ceramic coating Gold thanks to its properties protects the varnish of your car against harmful weather conditions. Delixirum coatings slow down the process of dirtying the car, protect the paint against aggressive chemicals and slow down the paint scratching process. Gold is a coating characterized by a golden color, easy application and very good resistance to aggressive chemicals used in cleaning agents (acids and alkalis). DELIXIRUM Gold coating protects varnish of your car for up to 5 years from the moment of its application.

CERAMIC COATINGS

DELIXIRUM PLATINIUM

Up to 7-years paint protection

Thanks to advanced technology and unique ingredients, it perfectly revives and protects the paint of your car. Platinum is the result of many years of research and testing. The coating we offer meets the most stringent standards and requirements that we set for the products applied in our studio.

Delixirum Platinum is a coating with a unique, blue color, easy application and effective action. Gives a unique look and brings out the depth of color of your car. Platinum is characterized by high resistance to chemicals used in cleaning agents (the best resistance to acids and bases). The coating stays on the paintwork of your car for up to 7 years from the moment of its application.

CERAMIC COATINGS

DELIXIRUM BLACK

Up to 10-years paint protection

DELIXIRUM Black ceramic coating. Our best product. No compromise. Durability up to 10 years. Hardness 10H. Such parameters can only be obtained by professionals. Full stability within 12 hours from the end of the work.

CERAMIC COATINGS

DELIXIRUM INDIVIDUAL

Up to 2-years paint protection

The two-layer ceramic coating DELIXIRUM Individual was created with the individual customer. It has properties similar to our DELIXIRUM Silver coating, but it is easier to apply thanks to the longer evaporation time. This aspect was crucial so that automotive enthusiasts starting their adventure with car detailing could see the quality and beautiful effect of DELIXIRUM without many hours of training. Another important aspect is the color, thanks to the brown tint, the coating is aimed at drawing the depth of the varnish as well as a delicate note of its darkening. Do not risk your time and money - try a world-class Polish product available to everyone...

DELIXIRUM INDIGO CERAMIC BOOSTER

Booster for ceramic coatings designed especially for coatings from the DELIXIRUM family. Gives exceptional glassiness, protects and nourishes surfaces protected with a ceramic coating. It makes it easier to take care of the coating on your car, keeping all its properties. Regular use of Indigo Booster allows you to maintain the effect of exceptional hydrophobization and glassiness of the entire paintwork.

INDIGO Ceramic Booster is available in capacities: 150ml, 500ml, 1L

LEATHER CLEANER

DELIXIRUM LEATHER CLEANER (SOFT)

Smooth leather cleaner that removes tough dirt without damaging leather surfaces or paint.
